

Understand how to connect to Oman's Business Potential for **Projects & Business Partnerships with Credible Omani Companies** by being JSRS Certified.

The JSRS is a **mandatory** 'single window' supplier registration & certification system, which connects UAE companies to Oman's Oil & Gas Industry and Buyers Community (all other industries). The JSRS is an initiative of Oman's Ministry of Oil & Gas and the 19 O&G Operators.

[businessgateways](#), the implementers of JSRS, invite UAE business community to the Oman JSRS Roadshow (JSRS INTRODUCTION & SUPPORT) in Dubai, UAE.

We encourage you to attend the JSRS Roadshow along with your colleagues in Business Development & Procurement.
